Possible additional policies **Action P4P** to advise as we progress

AECOM

Subsequent to this meeting a meeting was set up with AECOM for the 15th March for attendance by P4P and CAP. Discussion re Site Master Planning and Design Standards. A report to be submitted to Locality advising the level of support we need and we should be advised in 2 – 4 weeks when available.

Site Master Planning

When results to the questionnaires are sent to each household it will include a request for potential sites.

Agreed, if too many sites are put forward it will have to be handled carefully.

CAP to speak to David Upton

Planning Charts

It was agreed owing to Covid 19, AECOM delays P4P to recast planning charts

In addition P4P to speak to West Suffolk re housing expectation for Hargrave

Village Consultations

Ability to communicate with Village hampered by Covid.

Depending on progress with Lockdown consideration will have to be given to different approaches to communication (e.g. Drop-in sessions)

Date of Next meeting

To be arranged by **P4P** post outcome of discussions with AECOM and Locality.
